SUMMARY: The Mentoring Children of Prisoners (MCP) program published on April 13, 2006 is designed to be a community-based mentoring program in which children and youth, ages four up to age 18, are appropriately matched with an adult mentor, who has been screened and trained, for a one-on-one (one mentor/one youth), friendship-oriented mentoring relationship.

PLEASE DELETE the following under *Section III.1 Eligibility* of the original Program Announcement:

Fiscal year (FY) 03 and FY 04 Mentoring Children of Prisoners (MCP) grantees are eligible to apply only if proposing to expand their services to a new area. Current grantees will receive instructions from their respective ACF Program Specialist on the procedures for applying for noncompetitive continuation grants.

PLEASE REPLACE the deleted paragraphs under the *Section III.1 Eligibility* with the following:

Fiscal Year 2003 MCP grantees with project periods ending on or before September 30, 2006 may apply under this announcement for FY 06 MCP funding. Fiscal Year 2003 MCP grantees applying for FY 06 funding may propose to provide services in the same service area. Fiscal Year 2003 grantees applying to serve the same service area must propose to expand upon the number of children and youth served under the previous grant. In addition to expanding the number of children and youth served under the previous grant, FY 03 MCP grantees may also propose to sustain those matches created under the previous grant.
